

Camp Invention®

# LEARN. INSPIRE. SUCCEED.

A high school and college  
student internship.

## LEADERSHIP INTERN

Leadership Interns work closely with our Camp Invention participants to help them learn, innovate and create a brighter tomorrow.

- Earn **40 volunteer hours** and strengthen college, scholarship or job applications.
- **Mentor and inspire** students to encourage their innovative potential.
- Gain valuable knowledge about **Intellectual Property Literacy®** guided by the United States Patent and Trademark Office (USPTO).
- Receive a **letter of recognition** provided by the USPTO.
- Learn **entrepreneurial concepts** through the stories of the greatest innovators in the National Inventors Hall of Fame®.
